

ENDURASTAR

THE BEST OF BOTH WORLDS

Endurastar combines the surface protection properties of foam with the cushioning and strength properties of reinforced bubble.

FEATURES & BENEFITS

- Class A surface protection of foam
- Cushioning of both foam and bubble
- Highly resistant to puncture, tearing or ripping
- Economy of bubble with the strength of foam
- Elimination of double wrapping, and bubble "ghosting" on hot or highly reflective parts
- High tensile strength of reinforced bubble
- Moisture barrier
- Durability, allowing multiple reuse
